LEGAL ADVISOR
(Project Management Office-PMO, Sindh Barrages Improvement Project-SBIP)

Objective and Tasks. The main objective of this assignment is to provide the PCMU and the PMO with timely legal advices on various matter pertaining to the contractual obligations and any court cases which the PMO may enter during implementation of the project. His/her tasks would include, but not limited to, the following:

- Provide timely legal advices on the contractual obligations, particularly those related to the changes in the scope of works which would be deemed necessary due to the technical reasons unforeseen at the time of entering the contract;
- To provide PMO and PCMU/SBIP with the legal advices and/or representation in case that the PMO is entering into legal cases; interact with external legal personalities and entities as a representative of PMO/SBIP on an as-needed basis.
- Review and advice on, if appropriate, correspondence between the PMO/OCMU and the concerned contractors, and any other entities which the PMO/PCMU is obliged to communicated with.

Outputs. The consultant shall prepare an ad hoc report for each task that he/she performs, covering: (a) description of the arising issues which may have legal implications, (b) experts’ opinions on the legal implications, and (c) options and recommendations.

Level of input: 30 days for 12 months starting from July 1, 2019. The contract can be extended by mutual agreement if deemed necessary.

Qualifications: Legal degree in masters’ or equivalent and license for the legal practices, and minimum 10 years of experience, fluent in Sindhi, Urdu and English required.
